## ENVIRONMENT CHARTER

Unite believes there is a climate emergency. Trade unions will fight to ensure it is not working people, here and around the globe, who are left to pay the price of climate destruction.

This crisis must be met in a way that delivers better jobs, a better society and better world for all.

### **Unite calls for:**

The decarbonisation of our workplaces, industries and society.

The creation of a green society must mean a socially just and equal society.

Job guarantees to protect the jobs of the current workers and to ensure that all new jobs are good jobs – the right to decent work. That is the basis of our Organising Strategy, which is the cornerstone of our Union's Industrial Strategy – Work, Voice, Pay.

The workers must lead the 'Just Transition' in those industries affected.

International solidarity to ensure the creators of the climate crisis contribute their fair share to the solution.
